Total net			33.288,25 € excl. options

Option 1 not included in the total price

Item	Quantity	Description	Price
20	1	Commissioning and training Total 5 man-days (max. 10 hours each) on site. Also included in the price are the costs for the one-off arrival and departure time, hotel and travel expenses and daily expenses.	

Item	Quantity	Description	Price
		The assignment is carried out on weekdays (Monday-Friday; except Sundays and public holidays and/or during night shifts). Prerequisites for the performance of the work during the above-mentioned period are that when the BST technician arrives, all mechanical system components are set up or installed, all cables are laid and connected and the machine is ready for production. Any additional costs, the cause of which not attributable to the fault of BST (e.g. waiting times caused by the fact that the printing material is not ready for production for machine of the BST commissioning) will be charged according to the current service rates separately.	
20.1		General conditions	
20.1.1		Service department BST Headquarter	
20.1.2	1	Product AR 4400 The scope of services offered is specifically tailored to the AR 4400. In addition to the basic system, the following equipment is considered: Each additional head.
