IMPORTANT NOTE:

Please return the replaced old parts to us for inspection within 30 days using our RMA form. The invoice amount of the replacement delivery will then also be credited.

If you do not return the old parts to us for inspection within the above period, we will consider the purchase to be a purchase

of spare parts and the invoice amount for the replacement delivery will become due for payment.

Insofar as warranty or guarantee claims do not exist (e.g. because no initial defect was identified or guarantee conditions were violated), we can demand reimbursement of the costs incurred (in particular testing and transport costs), unless the absence of a defect was not apparent to you. You can purchase the spare part for the stated invoice amount; the warranty period would be one year and would begin with agreement on the purchase of the spare part. Upon request, we will submit an offer for the repair of defective old parts.

For parts delivered for the purpose of remedying defects, you may assert warranty claims on the basis of your original purchase contract until the expiry of the original warranty period of the old part. This does not constitute a new warranty period.
